

Bible Verse

The Lord reigns; let the peoples tremble! He dwells between the cherubim; let the earth be moved!

The Lord is great in Zion, and He is high above all the peoples.

Let them praise. Your great and awesome name—He is holy.

The King's strength also loves justice; You have established equity; You have executed justice and righteousness in Jacob.

Exalt the Lord our God, and worship at His footstool—He is holy

Moses and Aaron were among His priests, and Samuel was among those who called upon His name; they called upon the Lord and He answered them.

Psalms 99: 1—6
