

Bible Verse

Then Moses called Bezalel and Aholiab and every gifted artisan in whose heart the Lord had put wisdom, everyone whose heart was stirred, to come and do the work.

And they received from Moses all the offering which the children of Israel had brought for the work of the service of making the sanctuary. So they continued bringing to him freewill offerings every morning.

They all the craftsman who were doing all the work of the sanctuary came, each from the work he was doing.

And they spoke to Moses saying "The people bring much more than enough for the service of the work which the Lord commanded us to do.
