

Bible Verse

Therefore, having been justified by faith, we have peace with God through our Lord Jesus Christ, Through whom also we have access by faith into this grace in which we stand, and rejoice in hope of the glory of God.

And not only that, but we also glory in tribulations, knowing that tribulation produces perseverance;

And perseverance, character; and character, hope.

Now hope does not disappoint, because the love of God has been poured out in our hearts by the Holy Spirit who was given to us.

STAFF RETREAT 2016:

Staff Retreat 2016 was held on Saturday the 27th August 2016 at Nav Jeevan Seva Mandal, Sevoor. The Retreat started around 10:30 am. Rev. Paul Pragasam, Director, CSI Community Service Centre, Chennai was the Guest speaker. The Director welcomed the speaker and urged the staff to use this retreat as a time of reflection and re-dedication.

Earlier in the morning between 8:00 am. and 9 am. a special session was organized for new students who have joined the training. Rev. Paul Pragasam preached the word of God on the theme "Transformation of young man". Students had a blessed time and many were glad to hear the gospel.

At the Staff Retreat he preached on the theme "Empathy at work place in fulfilling God's calling". "Calling means - God is with us". He started the session observing that we often forget our calling in the midst of toils, troubles and frustrations. There are stumbling blocks that prevent us from fulfilling the call. He reiterated that till we fulfill the God's will, God won't leave us. Quoted Galatians 6:2

As Christ did, we are called to bear one another's burden. Insensitivity in churches and families is not a good sign. As Jesus

Christ says in John 15:12; by loving one another we show our empathy towards others. One should also involve in Ministry admonishing; helping and encouraging others, bearing burdens and thereby sharing the blessing of the Lord.

One should know "who am I, what am I, and whose am I".

He expounded on the incident when Jesus Christ healed a crippled woman on a Sabbath day. Jesus saw her, called her, he understood her, and He set her free from the bondage of demon possessed spirituality. God would never postpone your path of suffering or happiness. Away from God would bring us trials, troubles and turmoil. And to those who seek Him and Love him, God gives grace.

Submit yourself to God's will and admit God to use you for His glory. Limiting God in your life is a sin. If we do not utilize our talents it is more than sin. Identify the root system that blocks you from doing this. Treat this root cause of sin. Surrendering to God would enable us to fulfill His calling. The meeting closed with prayer by Chaplain.

The Retreat was a time of blessing to all the staff who attended it.
