

Bible Verse

The Lord reigns; let the earth rejoice; let the multitude of isles be glad!

Clouds and darkness surround Him; righteousness and justice are the foundation of His throne.

A fire goes before Him, and burns up His enemies round about.

His lightnings light the world; the earth sees and trembles

The mountains melt like wax at the presence of the Lord of the whole earth.

The heavens declare His righteousness and all the peoples see His glory.

Zion hears and is glad and the daughters of Judah rejoice because of Your judgments, O Lord

Psalm 97: 1-8

Training:

1 Week course for students from KG college of Physiotherapy
25 students from KG college of Physiotherapy were in Karigiri for a week from 30th January to 4th February 2017. They attended the 1 week 'Essentials of Physiotherapy in Leprosy' course. As part of the course, faculty from various departments of Karigiri took classes. They also went on a field trip and completed practical sessions in Physiotherapy department.

Visitors from Ben Gurion University Israel

Last year a group of students from Ben Gurion University visited our hospital and had a good learning experience. They had such a good time that they have advised their juniors to visit the hospital too. So, we had 5 students from the Ben Gurion University, Israel who visited Karigiri on 8th February 2017. After a brief introduction about the hospital, they visited various departments and observed the Leprosy work being carried out in the institution.

Medical students and faculty from University of Illinois:

8 students and 1 faculty from the University of Illinois were in Karigiri for a half day visit on 8th Feb. 2017. They were very keen to understand about Leprosy. They visited the different departments of the hospital.

Visit by DGNM students from CMC Vellore:

A first batch of 50 nursing students attended a half day orientation program in Karigiri on 7th Feb. 2017 . After an initial session on Leprosy, they learnt about the deformities in Leprosy and also the nursing management of Leprosy patients.

Elective students:

Elena Hill, Sonika Patel and Laura Sloan, medical students from Tufts University, USA visited Karigiri on 10th Feb. 2017 to know about Hansen's disease.

Chaplaincy:

Bible study will be held in Dr. Sandeep's residence on Friday 10th Feb. 2017 at 6:30 pm.

The Bible Quest for 2016 was conducted by the "India Campus Crusade for Christ" on 21st August 2016 at St. Luke's Chapel, Karigiri. 10 staff and 20 students participated in this Bible Quest
